

# Gaskets and Gasket sets suitable for

# Peugeot Landtrek

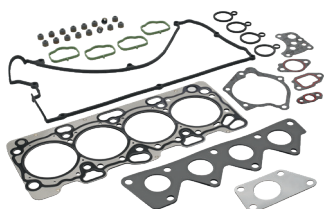

## 4K22D4T

The 4K22D4T is a 2.4-litre four-cylinder in-line engine with turbocharging, which was developed specifically for robust pick-up vehicles such as the Peugeot Landtrek. It delivers up to 160 kW (approx. 218 hp) and a maximum torque of 320 Nm, making it ideal for demanding driving conditions and off-road use. The engine is based on a water-cooled cast aluminum design and direct gasoline injection. It can be combined with a 6-speed manual or automatic transmission and meets current emission and quality standards. The design is aimed at durability and ease of maintenance. The 4K22D4T is also used in vehicles such as the Kaicene F70 or JAC T8, and is known for its solid performance and reliability.
